	Vehicle Type New		Bike Type Enduro		Engine Size 450 cc		Stock D03903
--	----------------------------	---	----------------------------	---	------------------------------	---	------------------------

With its modern chassis, advanced technology, and the very best components, the FE 450 is a high-performance enduro machine. The engine's layout positions all shaft arrangements close to the centre of gravity to enhance agility, while the broad power delivery can be customised easily using a range of electronic rider aids. Across rough terrain, the WP suspension...
