The 2026 CFMOTO UFORCE U10 PRO XL is a premium, full-size side-by-side (UTV) specifically designed for large work crews and heavy-duty farm operation. Moving away from traditional twin-cylinder layouts, it utilises a 998 cc 3-cylinder inline platform and a stretched 2,857 mm (112.5 in) wheelbase to deliver a purpose-built, factory six-seat configuration.
